PROJECT AND PROGRAM TABLES

Please stop by the tables situated around the meeting room to visit with Northern Water staff.

- **Chimney Hollow Reservoir Project** – Learn about the latest happenings on this new reservoir project, as well as our West Slope environmental initiative, the Colorado River Connectivity Channel.
- **Northern Integrated Supply Project** – Learn about the next steps in advancing the project.
- **Environmental Initiatives** – Learn about Northern Water’s environmental commitments such as watershed recovery, Kawuneeche Valley Restoration Collaborative and more.
- **Water Efficiency** – Northern Water’s program provides regional water efficiency services to constituents to maximize the value and use of the water we deliver, while doing so in a cost-effective, collaborative, and demonstrative manner.
- **Operations** – Learn about the latest projects from our Collection and Distribution Systems departments.

*All presentations and links to videos will be emailed to attendees following Fall Water Symposium.
Agenda revised Sept. 26, 2024*
